20. LM is advised to disclose the name of the signing partner of the legal counsel to the issuer along with disclosing corresponding email-id and contact person.
21. LM is advised to identify the monitoring agency in the offer document at the time of UDRHP itself.

**22. Forward looking statements:**

- a. Forward looking statements may not contain risk factors. The ten points, if any, mentioned under important factors may be removed. A cross reference (with respective page no.s) may be made to Risk Factors or top ten risk factors provided under Summary of the Offer Document.

**23. Risk Factors (RF):**

- a. LMs to ensure that any description of risk or description of the possibility of occurrence of an event/ situation shall necessary follow with a statement of detailed disclosure on past occurrences. If not, a categorical statement of disclosure on non-occurrence of such events shall be disclosed.
- b. Risk Factors - (i) every risk factor shall be provided with a cross-reference to the detailed description of the facts / reasons in the DRHP, wherever applicable. (ii) In all risk factors, wherever either only percentages or the absolute values are mentioned, LM shall ensure to disclose both the absolute values and percentages adequately.
- c. In Risk factor 4, the market size of the lab grown diamonds may also be mentioned to give a comparability in terms of the size of the market. 
- d. The Draft Red Herring Prospectus (in the beginning of the Risk factor section) states that pursuant to the Business Transfer Agreement dated January 31, 2025, the diamond jewellery business of the Corporate Promoter was transferred to the Company on a slump sale basis for a lump sum consideration of ₹1,623.01 million plus applicable taxes. However, the DRHP does not disclose the basis or methodology for determining this consideration. It also appears that no independent valuation report has been provided in this regard. While we note that the transaction

has been accounted for as a common control restructuring under Appendix C of Ind AS 103 (Business Combinations), and accordingly no independent valuation is mandated under Ind AS, investors require clarity on the commercial rationale for the consideration agreed with the Promoter. The Lead Manager is therefore advised to ensure that appropriate disclosure is made in the DRHP, clearly setting out:

- (a) The **basis and methodology** adopted for determining the **slump sale** consideration payable to the Promoter;
- (b) Whether any **valuation report, fairness opinion, or certificate** (if prepared) was relied upon; and
- (c) A statement clarifying that the transaction was a **common control restructuring** under Ind AS 103, and hence no independent valuation report was legally required, while explaining how the consideration was commercially justified.

e. On page 39, the DRHP presents three years of restated financial information for Reva, even though the Company only legally acquired the diamond jewellery business pursuant to the Business Transfer Agreement in January 2025. The historical financial numbers disclosed therefore represent the operations of the diamond business of P.N. Gadgil & Sons Ltd. (the Promoter entity) and not of Reva as a standalone legal entity. The financial statements have been prepared under Appendix C of Ind AS 103 (Business Combinations of Entities under Common Control), which allows presentation of such information as if the business combination had occurred from April 1, 2022.

The Lead Manager is advised to ensure that clear and prominent disclosure is made in the DRHP highlighting that:

- (a) The historical financials are those of the transferred diamond jewellery business of the Promoter and not of Reva as a separate company;
- (b) The continuity of Promoter control is embedded in the financials; and
- (c) The “track record” presented is technically reconstructed and should not be interpreted as the independent operating history of Reva.

f. As per risk factor 10, it has been mentioned that as of March 31, 2025, our outstanding borrowings amounted to ₹906.50 million, mainly used to support working capital requirements. However, it appears (as explained above) ₹906.50m borrowings in FY25 were mainly raised to fund the payment of **slump sale** consideration to PNGS Sons Ltd. (promoter). They were not fresh borrowings for day-to-day working capital, but rather to clear the one-time liability arising from the business transfer. LM is advised to provide clarity on the same and may suitably incorporate in the risk factor.

#### 24. Summary of the issue document

- a. Under the related party transactions, it has been mentioned that Payable on account of common control transaction (including GST) is ₹1,670.96 million to P.N. Gadgil & Sons Ltd. (Page No. 29) for FY 2025. However, on perusal of the cash flow statement, it is observed that this payable was settled in cash during the year and

the same was funded through a mix of fresh promoter equity and new bank borrowings, which means effectively shifting liability from promoter to external lenders. Accordingly, the LM is advised to mention the same in the footnotes while providing the RPT details.

**25. General Information:**

- a. For both legal counsels, LM is advised to add name of the signing partner(s) for the law firms, contact person, email ID and website.
- b. LM is advised to specify name of monitoring agency under relevant sections of Offer Document.

**26. Objects of the Issue**

- a. The company's existing 33 outlets (as of March 31, 2025) are shop-in-shop counters inside PNGS Sons stores, operating under FOCO and FOFO models. But the planned 15 new stores, to be funded out of IPO proceeds, are described as "brand-exclusive stores which will be owned and operated by the Company. That means these 15 outlets are not franchise-run — they will be company-owned and company-operated (COCO), not FOCO or FOFO. The LM is advised to bring out clarity in the object section and may also add in advantages of COCO model.
- b. Currently, manpower in shop-in-shop counters is provided by PNGS Sons Ltd. under the Franchise Agreement. Once Reva shifts to company-owned exclusive stores, it will need to hire staff directly (sales executives, cashiers, security, etc.). The DRHP does not provide explicit estimates of staff cost per store or consolidated manpower cost for new stores. The LM is advised to provide the provisioning towards staff and related cost estimates in the DRHP in the objects of the issue.
- c. On page 109, while explaining the inventory cost, the LM is advised to disclose the key details of the BTA including exclusion and inclusion of assets and liabilities.

**27. Basis for offer price:**

- a. KPIs – LM is advised to ensure that only audited KPIs are included for disclosure. LM to confirm that KPIs have been audited. If not, the same shall be removed.

**28. Industry Overview:**

- a. LM is advised to ensure that RFs as disclosed in the industry reports are included under the chapter on Risk Factors, including threats and challenges as identified in the report.

**29. Our Business:**

- a. As mentioned in the DRHP, the stores are divided into two categories, namely, franchise owned and company operated ("FOCO") and franchise owned and franchise operated ("FOFO"). However, no clear split of revenue, margins, or costs between FOCO (franchise-owned, company-operated) and FOFO (franchise-owned, franchise-operated) formats have been provided. Accordingly, LM is advised to include about the revenue, margins and costs split related to FOCO and FOFO in the DRHP- business section appropriately.

**30. Management's Discussion and Analysis**

- a. On page 373, it has been mentioned that- *Our total income increased by 32.04% from 1,962.36 million for Fiscal 2024 to ₹2,591.06 million for Fiscal 2025 primarily due to a 31.97% increase in revenue from other operations* (should read revenue from operations)... Accordingly, LM is advised to rectify the statement.

**31. Outstanding Litigation and Material Developments**

- a. LM is advised to disclose the dates of the outstanding litigations.
- b. LM is advised to disclose the data points such as place and authority where such litigations are pending for each of the disclosed litigations.

- b. Under chapter, *History and certain corporate matters*, LM is advised to disclose all the material conditions of any disclosed agreement. LM is advised to avoid using phrases such as *certain conditions and applicable laws* unless accompanied with a negating disclosure on material covenants.
- c. LM is advised that inter-se agreements/ arrangements between the shareholders are disclosed under section "History and Certain Corporate Matters".
- d. LM is advised that a categorical statement from the Issuer Company/ Promoters / Shareholders, may be provided that there are no other inter-se agreements/ arrangements and clauses / covenants which are material and which needs to be disclosed and that there are no other clauses / covenants which are adverse / prejudicial to the interest of the minority / public shareholders. Also that there are no other agreements, deed of assignments, acquisition agreements, SHA, *inter-se* agreements, agreements of like nature other than disclosed in the DRHP.
- e. Further, the LMs shall also confirm to SEBI that they have gone through the *inter-se* agreements/ arrangements, if any, as disclosed in the DRHP and they also do not see any clauses / covenants which are material and need to be disclosed, which

have not been disclosed and that there are no other clauses / covenants which are adverse / pre-judicial to the interest of the minority / public shareholders.

f. It may be confirmed/disclosed if the issuer company has any existing policy as on date to address the conflict of interest involved in having subsidiaries/associates with common pursuits.

- c. Our Board: LM is advised to mention whether a company, in which a board member holds directorship, is listed or unlisted. Whether these companies are non-for-profit organization may also be mentioned. Further, country of incorporation may also be mentioned in case of foreign companies.
- d. However, as per the Restated Cash Flow Statement, it is observed that the Company has already undertaken an equity issuance and raised borrowings as of March 31, 2025 towards funding the said consideration. The Lead Manager is therefore advised to ensure that the disclosure on page 294 is updated to reflect the actual manner in which the slump sale consideration has been settled, consistent with the financial statements.
